Elvis Presley n'a pas seulement été le roi du rock'n'roll, mais, bien au-delà, le messager et le sex-symbol de la culture adolescente. Soixante ans après son premier enregistrement, Elvis fait revivre le destin hors du commun de celui qui restera à jamais le King. De son enfance à Tupelo et à Memphis jusqu'à sa disparition, de ses premiers disques chez Sun Records puis chez RCA jusqu'à ses shows à Las Vegas, de son service militaire en Allemagne à son mariage avec Priscilla, chaque étape de la vie d'Elvis est largement commentée, agrémentée de photos saisissantes, et restituée dans le contexte politique et culturel de l'époque. Guerre froide, affaire des missiles de Cuba, guerre du Viêt Nam, scandale du Watergate, contre-culture : la vie d'Elvis Presley, c'est plus de vingt années d'une histoire américaine en bouleversements. Elvis est aussi un livre enrichi. En plus du texte et des illustrations, plusieurs enrichissements vidéo jalonnent le parcours du King. Une simple application sur votre smartphone vous reconduit directement au coeur de l'événement - images et sons. Emotion garantie !
