"Pressestimmen '**Engrossing**' (Matt Chilton, **\*\*Books of the Year\*\*** Daily Telegraph)'Eighty years after the events it depicts, *Berlin 1936* is a **small masterpiece** ? you actually feel like you were there? The book was originally in German, but Jefferson Chase?s translation is so perfectly judged, you?d never even notice' (Marcus Berkmann Daily Mail, **\*\*Books of the Year\*\***)'**Entertaining**... A **vivid collage** of vignettes gleaned from diaries, police reports, snippets from newspapers, and so on. It dances from comedy to tragedy, from the ironic to the sinister, to give a picture of a darkening Germany... Hilmes has an eye for incidental detail.' (Robbie Millen The Times)'A German historian charts the Berlin Olympics day by day through a series of memorable vignettes of life under Nazism. Hilmes? deceptively jaunty, even comic tone echoes that of the Games themselves' (Simon Kuper Financial Times, **\*\*Books of the Year\*\***)'This book reads like a tourist guide to a city on the eve of destruction' (Gerard DeGroot The Times, **\*\*Books of the Year\*\***) Über den Autor und weitere Mitwirkende **Oliver Hilmes** studied history, politics and psychology in Paris, Marburg and Potsdam, and holds a doctorate in twentieth-century history. His books include Malevolent Muse: The Life of Alma Mahler, Cosima Wagner: The Lady of Bayreuth and Franz Liszt: Musician, Celebrity, Superstar. Berlin 1936 was a top-ten bestseller on publication in Germany."
