Gomatirach-minzari "Gomu- minzaar" Technique. One of the most astonishing metaphysical and supernatural techniques of the Anunnaki Ulema that transports you to other dimensions!!The Minzar technique: Known as the "Mirror to Alternate Realities" It includes: Creating your own worldThe Minzar techniqueI-PrerequisitesII-PrecautionsIII-Equipment and suppliesIV-Building the MinzarV-Contacting the alternate realitiesVI-Subsequent visits to the alternate realitiesVII-Benefits and advantagesVIII-Returning to your regular reality on earthBenefits and Advantages:Beside the pleasure and learning experiences that you gain through your trips to the alternate reality, there are several concrete advantages that will manifest themselves very soon in your normal reality. *You will be less tense or nervous.*You will gradually lose any phobia that might have tormented you for many years, perhaps all your life.*Your physical health will improve.*You will be able to work efficiently, since you will bring with you some very important creations, plans, or thoughts from your alternate reality. *Such products or services will be performed in much greater speed since they have been "rehearsed" in the alternate reality.*You can learn languages with surprising speed since you can actually learn them first in the alternate reality, and the memory is retained. That applies to other skills, such as computer skills, art, music, and many others.*You will put every moment to good advantage. *If you hate waiting in line, or sitting in the doctor's office, or listening to your boss droning on and on while of course you cannot put a stop to the conversation, just hop to the new reality for a few minutes, and do something fun or creative there. Of course, for these few moments you will be out of touch with your earth body, but you will be recalled back quickly as soon as needed. Obviously, using this quick "hop" you will never be bored again, ever. *To complement this activity, it is advisable to always carry a notepad and a pen in case you wish to quickly record an experience.This lesson/technique is an excerpt from the Book "19th Edition. THE EXTRATERRESTRIAL BOOK OF RAMADOSH: 13 Anunnaki Ulema Techniques To Live Longer, Happier, Healthier, Wealthier". Learn their techniques that will change your life for ever. You will never be the same person again. This book reveals knowledge that is thousands of years old. Written by Maximillien de Lafayette, author of 250 books, and the world leading authority on Anunnaki/Ulema. The book not only gives you techniques that could bring you health, happiness, and prosperity, but goes deeply into the why and how these techniques do so.
