**New York Times and USA Today bestselling author Ruth Cardello puts two hearts on the line when a Boston billionaire takes a second chance on the woman of his dreams.** Spencer Westerly is his own man. He didn't need his father's money to build his wildly successful tech company—and he doesn't want to deal with the fallout from old family secrets. But as much as Spencer wants to avoid Westerly drama, his grandmother—the family matriarch—is determined to pull him back into the fold. And she's discovered the perfect lure: his college sweetheart, Hailey. Although she broke his heart, Hailey is still the only woman he's ever loved. Now that she's back and looking as desirable as ever, Spencer is determined to get a second chance. A lot has changed for Hailey Tiverton. The only thing that hasn't? The inexplicable pull she feels toward Spencer. When they were younger, his work was his priority. Now, he'd better be willing to prove that, this time, love comes first...
