"Dalla quarta di copertina **This simple concept can revolutionize all your relationships!** ?Nothing has more potential for enhancing one?s sense of well-being than effectively loving and being loved. This book is designed to help you do both of these things effectively.? ?Gary Chapman With more than 8 million copies sold, The 5 Love Languages® continues to strengthen relationships worldwide. Although originally crafted with married couples in mind, the love languages have proven themselves to be universal. Whether it?s dating relationships, parents, coworkers, or friends?understanding your unique love language and that of others can significantly improve your relationships.The premise is simple: Different people with different personalities express love in different ways. Therefore, if you want to give and receive love most effectively, you?ve got to learn to speak the right language. The 5 Love Languages® Singles Edition will help you . . .* discover the missing ingredient in past relationships* learn how to communicate love in a way that can transform any relationship* grow closer to the people you care about the most* understand why you may not feel loved by those who genuinely care about you* gain the courage to deeply express your emotions and affection to othersIncludes a study guide that?s perfect for groups of any size. L'autore **GARY CHAPMAN**--author, speaker, counselor--has a passion for people and for helping them form lasting relationships. He is the #1 bestselling author of The 5 Love Languages series and director of Marriage and Family Life Consultants, Inc. Gary travels the world presenting seminars, and his radio programs air on more than 400 stations. For more information visit his website at www.5lovelanguages.com."

Simple ways to strengthen any relationship with more than 10 million copies sold the 5 love languages continues to transform relationships worldwide and though originally written for married couples its concepts have proven applicable to families friends and even coworkers the premise is simple eac
