"Werbetext **With mile-by-mile highlights celebrating popular attractions, roadside curiosities, local lore, and more, Moon South Florida & the Keys Road Trip reveals the best of South Florida** Über den Autor und weitere Mitwirkende Florida native **Jason Ferguson** has yet to find a corner of his home state that doesn't hold some sort of surprise. With a background in alternative journalism and arts and culture reporting, Jason enjoys finding surprises and unusual sights in some of Florida's most well-traveled destinations. As a father, he certainly enjoys the pleasures of the beaches and outdoor opportunities, but also likes to dig deep into the nightlife, arts, and cultural scenes. Jason has written for publications ranging from Time Out, Travel + Leisure, and Caribbean Travel & Life to Florida newspapers such as the Orlando Weekly and Miami New Times. He enjoys sniffing out the beauty of Florida's natural history as well as the oddness of its quirky present. He, his wife, and their kids utilize their home in Central Florida as a launching pad for weekend adventures that take them to points of interest throughout the state. Although their favorite spots change from week to week, there's a general consensus that the white-sand beaches of southwest Florida aren't just the best in the state, but are possibly some of the best in the world."
