The revolutionary guide to show couples how to create an emotionally intelligent relationship - and keep it on track Straightforward in its approach, yet profound in its effect, the principles outlined in this book teach partners new and startling strategies for making their marriage work. Gottman has scientifically analysed the habits of married couples and established a method of correcting the behaviour that puts thousands of marriages on the rocks. He helps couples focus on each other, on paying attention to the small day-to-day moments that, strung together, make up the heart and soul of any relationship. Packed with questionnaires and exercises whose effectiveness has been proven in Dr Gottman's workshops, this is the definitive guide for anyone who wants their relationship to attain its highest potential.
