"Über den Autor und weitere Mitwirkende One of the world's foremost motorcycle historians, Ian Falloon is the author of twenty books on motorcycles, of which ten are on Ducati, including the best-selling Ducati Story, and Ducati Twins Restoration Guide. As an owner of several Ducati 750s since 1973 he has a particular enthusiasm for this model, still owning the 750 Super Sport he bought back in the 1970s. Ian trained as a symphony orchestra oboist before a serious motorcycle accident forced a change in profession. Born in New Zealand, he is a freelance contributor to a number of motorcycle magazines around the world."
