"Reseña del editor Teach violin with the popular Suzuki Violin School. The Suzuki Method(R) of Talent Education is based on Shinichi Suzuki's view that every child is born with ability, and that people are the product of their environment. According to Shinichi Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a child's potential so he/she can express all that is harmonious and best in human beings. Students are taught using the ""mother-tongue"" approach. Each series of books for a particular instrument in the Suzuki Method is considered a Suzuki music school, such as the Suzuki Violin School. Suzuki lessons are generally given in a private studio setting with additional group lessons. The student listens to the recordings and works with their Suzuki violin teacher to develop their potential as a musician and as a person. This Suzuki book is integral for Suzuki violin lessons. This revised edition of the Suzuki Violin School, Volume 3 features: \* Revised editing of pieces, including bowings and fingerings \* Additional exercises, some from Shinichi Suzuki, plus additional insight and suggestions for teachers \* Text in English, French, Spanish, and German \* Musical notation guide \* Fingerboard position. Titles: Study Points \* Tonalization \* Vibrato Exercises \* Gavotte (Martini) \* Minuet (Bach) \* Gavotte in G Minor (Bach) \* Humoresque (Dvorák) \* Gavotte (Becker) \* Gavotte in D Major (Bach) \* Bourrée (Bach). For a complete list of the most recent printings by AMPV number, go to [alfred.com/suzuki](http://alfred.com/suzuki). This title is available in SmartMusic."
