"Recensione Cutaway views and step-by-step descriptions of the rescue processes bring readers close to the action, and Green's captions provide abundant information about each vehicle, while identifying and explaining every detail in Biesty's pen-and-pencil illustrations. Readers with dreams of saving the day will find plenty to get their engines running. Publishers Weekly A pleaser for fans of big rigs and disaster scenarios alike. Kirkus Reviews Green's text complements the visuals with detailed but succinct introductions and captions... Curious kids will find this a fascinating look at rescue vehicles. Booklist L'autore **Rod Green** is the author of numerous children's books. He lives in England. **Stephen Biesty** has been illustrating for thirty years. He has won several prestigious awards, including the New York Times Best Illustrated Book Award and the U.K. Literary Association Children's Book Award."
