"Recensione Mr. King's gift of storytelling is unrivaled. His ferocious imagination is unlimited. (George Pelecanos) Descrizione del libro A superb novel set in classic Stephen King territory - a small new England town about to be engulfed by terror. L'autore Stephen King has been described by the Guardian as 'one of the greatest storytellers of our time', by the Mirror as a 'genius' and by The Sunday Times as 'one of the most fertile storytellers of the modern novel.' In 2003, he was given the National Book Foundation Medal for Distinguished Contribution to American Letters. He lives with his wife, the novelist Tabitha King, for most of the year in Maine, USA."
