"Pressestimmen THE RECKONING is another chilling, atmospheric tale from **the undisputed Queen of Icelandic Noir. I loved it.** (Simon Kernick)There's no waffle in The Reckoning: it is **brutal, baroque and ends with a brilliant last-minute twist.** (Evening Standard)One of the **best books I've read for a long time: dark, creepy, and gripping** from beginning to end. (Stuart MacBride, author of the Logan McRae series)It's addictive, bleak, and **will give you thrills and chills in equal measures.** (Cosmopolitan Magazine)Yrsa Sigurdardóttir has with her **large-scale and genuinely intelligent** stories attempted to find the core of Iceland's distinctive society, and thus pushed the Icelandic crime novel tradition many steps forward. (Arne Dahl)Yrsa Sigurðardóttir's incredible gift of **mixing the macabre and the poignant**, together with the astute observations of the ordinary life, sprinkled with a **dark sense of humour**, keeps on giving in buckets. Her imagination knows no bounds, **turning the most ordinary objects into deadly weapons...** The nuanced writing encompasses the thriller's overwhelming sense of doom as it explores the failings of the society to protect victims. (Crime Review)**A dark story by a brilliant author.** A densely plotted, multifaceted and compelling book. Exceeds most novels in the thriller genre. (Erik Axl Sund)Praise for THE LEGACY (:):Iceland's **outstanding** crime novelist (Daily Express)Yrsa remains the queen of Icelandic thriller writers. (Guardian) Werbetext A time capsule is unearthed from a school playground - containing a threat of deaths to come. As Freyja and Huldar look for the writer, the murders start...
