"Reseña del editor Rosie's Hat isn't just any old hat. When a gust of wind sweeps it off her head, it goes off on a whole hatful of adventures! It becomes a toy for a dog, a hiding-place for a mouse, a frisbee for some children and even a nest for some birds. Surely poor Rosie will never find her hat again . . . or will she? This satisfyingly circular tale from Julia Donaldson, the author of The Gruffalo, is packed with irresistible sound effects, making it perfect for children to join in with - and Anna Currey's beautiful watercolour illustrations perfectly capture the warmth and fun of the story. From the creators of One Ted Falls Out of Bed: 'Another little miracle from Julia Donaldson.' - The Bookseller Biografía del autor Julia Donaldson has written some of the world's best-loved children's books, including modern classics The Gruffalo and The Gruffalo's Child, which together have sold over 17 million copies worldwide, and the hugely successful What the Ladybird Heard adventures. Julia also writes fiction, including the Princess Mirror-Belle books illustrated by Lydia Monks, as well as poems, plays and songs - and her brilliant live shows are always in demand. She was Children's Laureate 2011-13 and has been honoured with a CBE for Services to Literature. Julia and her husband Malcolm divide their time between West Sussex and Edinburgh. Anna Currey's warm, classic watercolour style has brought to life many enchanting picture books. Her previous work for Macmillan includes Rosie's Hat and One Ted Falls Out of Bed, also written by Julia Donaldson. Anna was born in Norfolk, grew up in Ireland and now lives near Bath with her husband."
