"Reseña del editor **Clever Mini Board Books: Animal World** looks like one large book, but imagine their surprise when toddlers open the cover and find 9 mini books inside! These adorable, graspable, and engaging books are more than just for fun; they are also learning tools that help young children with their stacking, sorting, counting, color identifying, puzzle solving, and matching skills, all while experiencing amazing animals from around the world. The animals in the mini books include **birds, farm animals, sea creatures, zoo animals, favorite pets, and more!**The colorful gift box features a magnetic closure and individual compartments to keep the **9 mini books** in place.Each mini book is shaped like a **stacking block** with rounded corners and is created to withstand the wear and tear of a **preschooler's active lifestyle.Learn as you play!** The books are perfect tools for fostering **hand-eye coordination, curiosity, and emotional intelligence.** Biografía del autor **Clever Publishing** was founded in 2010 with the purpose of changing children's lives for the better. We create a world full of fascinating experiences for families through our books, games, sets, and series. Focusing on Pre-school and Edutainment, we've developed a wide range of innovative formats with modern teaching techniques. Kids love to read, touch, and play while learning, so our program includes products for all ages, including box sets; board books; puzzle books; learning flash cards; interactive coloring, activity, and word play formats; and boards games for the entire family. Our dream team - more than 100 employees worldwide - have a comprehensive understanding and knowledge of children's books. With this expertise, we present products that are fun, entertaining, and vibrant. We are modern and educational and strive to always emphasize the importance of first experiences. We connect to the needs of busy parents and aim to enrich the time spent with their children. Our goal is to make children - as well as their parents happy!"
