"Synopsis A handbook on creative window treatments. It features how-to instructions for basic window treatments, including advice on installing hardware. It also covers designer window options, top treatments and accessories. There are no-sew projects and techniques, like etching, faux stained glass, silk and dried flower arrangements and creative uses of shelves and shutters. Colour photographs and illustrations show the reader how to create simple rod-pocket curtains to more advanced swags and cornices. Über den Autor und weitere Mitwirkende The editors of Creative Publishing international have created dozens of best-selling titles in the fields of home repair, home improvement, home decor, and landscaping."
