"L'autore Bobby Hall a.k.a. Logic, the Grammy-nominated, platinum-selling recording artist, quickly established himself as one of the most original young stars in music. Through a streak of hit records, Bobby Hall has cemented his status as one of the greatest MCs at work, hailed for his lyricism, cinematic storytelling, and inspiring message of peace, love, and positivity. His music touches on societal issues that affect us all, including anxiety, depression, and race. Supermarket is his first novel."
