"Paper Size:**A3** The calendar Cornwall - Between Land and Sea will take you on an expedition through the magical landscapes of Southern England. Cornwall and the sea: with over 1000 kilometers of coastline life is greatly influenced by the ocean and the tides, with paths along the cliffs, golden sandy beaches in hidden bays and marvelous fishing villages - just like the olden days. In twelve fascinating photographs, travel and nature photographer Christian Mueringer introduces Cornwall as a travel destination of breathtaking beauty with a great diversity of landscapes. Christian Mueringer Fine Art Travel- and Nature Photography www.mueringer.de Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round. This successful calendar was re-released this year with the same pictures and updated calendar."

St Mabyn to Pencarrow House Church ales were celebrations held within the church calendar until around 6500bc it was possible to walk between Britain and the rest of Europe via an area of low lying land known
