"Pressestimmen In this, his most famous story, Kafka explores the notions of alienation and human loneliness. It is a work of extraordinary narrative technique and imagination. This unique edition also presents six of Kafka's lesser-known stories. Synopsis Metamorphosis is Kafka's most famous story. In it he explores the notions of alienation and human loneliness by means of his extraordinary narrative techniques and depth of imagination. Gregor Samsa awakens one morning to find himself transformed into a repulsive bug. Trapped inside this hideous form, his mind remains unchanged - until he sees the shocked reaction of those around him and begins to question the basis of human love and, indeed, the entire purpose of his existence. But this, it seems, is only the beginning of his ordeal. Contains also six lesser-known stories by Kafka"

Franz kafka franz kafka 1883 1924 was one of the giants of twentieth century german literature his stories such as the metamorphosis 1915 and novels including the trial 1925 and the castle 1926 Hesperu, the metamorphosis and other stories downloadable audiobook kafka franz in the bizarre world of franz kafka salesmen turn into giant bugs apes give lectures at college academies and nightmares probe the mysteries of modern humanity s unhappiness more than any other modern writer in world literature ka, the world of fins and the metamorphosis trilogy is huge so much time and effort has been put into these stories ever since i first started them in middle school tracey instantly became my favorite character there was a moment in time whe.
