"Pressestimmen Everything you need to turn up in the right place and at the right time to find some of the best wildlife in Europe, Chris Packham, BBC Springwatch; These guides are well thought out and are the most practical aides to enjoying wildlife in some of the most amazing places in Europe, British Birds magazine; Crossbill Guides' main focus is an exploration of ecology, landscape and human history and conservation. This is the key strength of the Crossbill Guides and it is what places them head and shoulders over conventional 'site guides', Andy Stoddart, Birdwatch magazine Buchrückseite De Extremadura is een wild, afgelegen en bijzonder vogelrijk natuurgebied in zuidwest Spanje. Het gebied kenmerkt zich door uitgestrekte graslanden, dichte bergbossen, bloemrijke beekdalen en dramatische rotswanden. Deze gids beschrijft de natuur van dit prachtige paradijs voor natuur-, wandel- en vogelliefhebbers. - Geschiedenis van het landschap - Ecosystemen - Geologie - Flora en Fauna - De beste vogelkijkplekken - Orchideeën en andere wilde bloemen - 24 gedetailleerde routes met observatietips en 22 hotspots Deze reisgids maakt deel uit van de serie Crossbill Guides. Engelstalige uitgave. This guidebook describes the nature and wildlife of Extremadura, a landlocked region in south-west Spain, famous for its birdlife. - Landscape history - Ecosystems - Geology - Flora and Fauna - Where to watch birds - Finding orchids and other wildflowers - 24 detailed routes with observation tips and 22 site descriptions Alle Produktbeschreibungen"
