"Pressestimmen 'A joy of a biography, offering up a blizzard of maritime and political fascinations... Moore has written a book that makes the case for his little ship both compelling and irrefutable' (Simon Winchester New York Times)'Moore uses Endeavour as a window to the age of enlightenment. Like the period it recounts, this book has enormous energy, creativity and self-confidence. It's a feast of endless exotic dishes, all delivered with immense style' (Gerard DeGroot The Times Books of the Year)'Beautifully constructed, his book is not just the history of a single vessel, but a window into the intellectual and political life of the age of enlightenment, from the thrill of botanical discovery to the horror of Cook's last moments on the beaches of Hawaii' (Dominic Sandbrook Sunday Times Books of the Year)'A dazzling combination of science and adventure, lyrically evocative descriptions of lush tropical landscapes and salt-stung seascapes, and a portrait of an age?an absolute joy from start to finish, and surely my history book of the year' (Christopher Hart Sunday Times)'Fascinating and richly detailed... Peter Moore has brought us an acute insight into the ship that carried some of the most successful explorers across the world. A fine book that?s definitely worth exploring' (Michael Palin)'Endeavour is an extraordinary book about an unlikely ship that defined an age... Like the age it recounts, it is a book of energy, creativity and self-confidence' (Gerard DeGroot The Times, **Books of the Year**)'Pays brilliant tribute to what was arguably the most significant ship in the history of British exploration' (Nick Rennison Daily Mail)'Bold and imaginative... the same brave wind that filled Endeavour's sails blows through this book and it is hard to resist' (David Crane Spectator)'Moore?s richly detailed book is an engrossing love letter to a work, an attitude and a ship: it is an endeavour that honours Endeavour, without denying the death and destruction that followed in her wake' (Ruth Scurr Guardian)'Moore?s approach is lavishly digressive? A rollicking yarn' (Lewis Jones Sunday Telegraph) Über den Autor und weitere Mitwirkende Peter Moore is a writer, journalist and lecturer.
