I choose to take back my life. My life. Medea is a wife and a mother. For the sake of her husband, Jason, she's left her home and borne two sons in exile. But when he abandons his family for a new life, Medea faces banishment and separation from her children. Cornered, she begs for one day's grace. It's time enough. She exacts an appalling revenge and destroys everything she holds dear. Ben Power's version of Euripides' tragedy Medea premiered at the National Theatre, London, in July 2014.

The greek tragedy in new translations series is based on the conviction that only translators who write poetry themselves or who work in collaboration with poets can properly re create the celebrated and timeless tragedies of the great greek writers these new translations are more th
